

1) The pattern is 3, 5, 7 ... 9, 11, 13, 15

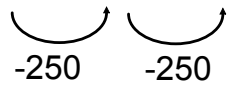

Term Number	Term
1	3
2	5
3	7
4	9
5	11
6	13
7	15

The 7th term is 15!

To find the next term in the pattern, take the previous term and add 2

2) 5000, 4750, 4500, 4250, 4000, 3750,

Term Number	Term
1	5000
2	4750
3	4500
4	4250
5	4000
6	3750
7	3500
8	3250
9	3000
10	2750
11	2500
12	2250
13	2000
14	1750
15	1500

To find the next term, take the previous term and subtract 250.
